25X1

1. The Office for Studies and Projects of the Ministry of Shipping is working on the technical part of a project for the construction of a maritime canal between Elblag (Elbing) and Krynica Morska, with the following specifications.

Length 26 km.
Width 60 m.
Depth of central part, which is 10 m. wide 6.m.
Depth of the two exterior sectors, each 25 m. wide 2.5 m.

2. The canal will start at the mouth of the Elblaska River and is then traced out in the direction of an existing lighthouse, terminating at a cutting of the Mierzeja Wislana peninsula in the immediate vicinity of the Krynica Morska locality.
3. A project for the expansion of the port of Krynica Morska is also being studied. The port in future, would play a part similar to that of Swinoujscie, close to Szczecin.

25X1

1. Comment. a canal has been started near Kahlberg (Lysica - Q55/Y92) in order to give Elblag a more direct outlet to the Baltic.
